

Logging into iLab

Registration Process for Internal Users

1. Access the iLab software through insideND or navigate to the following URL in your browser: <https://nd.ilab.agilent.com/account/login>
2. Once on the iLab login page, select 'Sign in using University of Notre Dame credentials.'

3. You will be prompted to provide your Notre Dame Username and password.

A screenshot of the iLab login page. At the top center is the University of Notre Dame logo. Below the logo is a circular profile picture placeholder. Below the placeholder is the text "Sign In". Below "Sign In" are two input fields: the first is for the username and the second is for the password. Below the password field is a checkbox labeled "Remember me". At the bottom is a blue button labeled "Sign In".

If this is your first time logging in, once you authenticate you will be directed to a registration page.

Register for iLab

Fill out all fields to create a new account. Please note that information entered here is for the iLab service.

- PI/Group
- First Name
- Last Name
- Email Address
- Phone Number

[Cancel](#) [Register](#)

- First select the appropriate PI/Group from the drop down.
- Your first name, last name, and email address will be pre-filled.
- Complete any remaining required fields.
- Click 'Register.' The next page you see will be the 'Greeting Page'

The PI you selected has been sent an email informing them that they need to approve your account. If the PI has a designated lab manager, they can approve your account as well.

Switch to New Design

Your account may be in the old design, so the first step is switching to the new design!

1. Click the 'Try new design!' link at the bottom of your screen near the iLab Agilent trademark.
2. Your page will refresh automatically and when you navigate to your institution dashboard it will be in the new design.
