The Year In Music & More

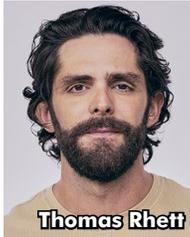

River House/Columbia's **Luke Combs** is three-for-three, topping **Country Aircheck/Mediabase** data as the most-heard artist at Country radio, as he was in 2019 and 2020. Rounding out the top five are **Luke Bryan, Thomas Rhett, Florida Georgia Line** and **Kane Brown**. **Miranda Lambert** is the most-heard female artist ahead of **Gabby Barrett**, with FGL topping Duo/Group, followed by **Dan + Shay**. **Niko Moon** is the most-heard new artist, and Rhett's "What's Your Country Song" is the most-heard song.

Now at 13 years running, **Capitol/Nashville** is the No. 1 airplay label, followed by **BMLG Records, Broken Bow, Columbia** and **Big Loud**. The top 10 chart share labels, top performing artists and the Top 100 songs of the year are in the December print edition of **Country Aircheck**, out later this week. (Note all data for the 2021 chart year reflects airplay between Nov. 8, 2020 and Nov. 6, 2021.) Beyond the year in music, the issue's Top Stories looks at the resumption of touring, changes at radio, ratings and market share for the format and genre, the future of awards shows and questions still facing **Morgan Wallen**. CMA winners discuss their big week in Nashville, and label promotion teams tout their 2022 music priorities.

Finally, in The Interview, Academy of Country Music CEO **Damon Whiteside** takes readers inside his two-year-tenure, which has yet to find a predictable groove as it races toward the first major streaming-only awards show next year in Las Vegas. "Everything is a first," he says. "We had to figure out how Lifting Lives was going to support people through the pandemic and raise money for that." (continued on page 10)

Prose Over Bros: "Somebody Like That" songwriters **Allison Veltz Cruz, Tenille Arts** and **Alex Kline** celebrate country's first No. 1 written, performed and produced exclusively by women at Nashville's Hampton Social. Pictured (top, l-r) are Gator Michaels Consulting's **Gator Michaels**, Noblelevision's **Hal Oven**, Porterfield Publishing's **Tom Porter**, Hipgnosis' **Pete Robinson**, Porterfield Publishing's **Derek Simon** and BMI's **MaryAnn Keen**; (bottom, l-r) Empire's **Heather Vassar**, Hipnosis' **Emily Boardman**, BMI's **Leslie Roberts**, Cruz, Arts, Kline and SESAC's **Shannan Hatch** and **Lydia Schultz**.

Radiothons: Country Radio Strong

Country radio showed just how impactful it can be this past week, as dozens of stations aired their annual radiothons, the vast majority benefitting **St. Jude Children's Research Hospital**. Across the 52 stations for which **Country Aircheck** collected data, more than \$13 million dollars was raised for good causes. Radiothons are demanding and require long hours from staff. They can also be emotionally draining, but this list (next page) is proof positive that all the effort is worth it. Country Aircheck salutes all those involved in radiothon efforts for a job well done.

OFF THE RECORD

Country Aircheck goes Off The Record with Warner/WMN's **Drew Parker**:

DREW PARKER

What I've learned during the pandemic is to be patient ... with everything. I've learned to prepare for everything and have those decisions already *slightly* mapped out, no matter what the situation is. Warren Buffet said it best: "Someone is sitting in the shade today, because someone else planted a tree a long time ago."

I'm keeping in touch with fans via social media by making sure to message and comment back to any and every fan who has a question. That's very important. But also, just posting videos and doing livestreams to check in from time to time and say, "thank you for everything you do for me."

I grew up listening to WKHX and WUBL/Atlanta.

I'll never forget where I was the first time I heard myself on the radio. I was driving in my truck with my little girl and wife heading to dinner in Nashville. I could probably take you to the exact spot I pulled off I-65 to listen.

"While You're Gone" is my version of "Every Light In The House Is On." One of those songs that can be a sad country song or can be listened to in a very literal, comical sense.

The most redneck thing I've done lately is shotgun a beer with Atlanta Braves pitcher **AJ Minter**.

Trying to pick one song I wish I'd written is the hardest question ever. There's so many, and the answer changes a lot for me, but right now I'd have to say "There Goes My Life" by Kenny Chesney. I've been gone a lot this year playing shows and visiting radio stations, and every time I get home, I swear my little girl has matured and grown so much just in a matter of days. I can really relate to that song right now.

My favorite song on the radio – any format – right now is Jordan Davis' "Buy Dirt." That song is really special and something so many people can relate to.

I'm bingeing *You* on Netflix. I feel late to the *Yellowstone* game, but I think that's something I'm gonna have to try and binge next.

Play Limits: Mediabase will credit a *maximum* of two plays on any individual song across any 60-minute period.

Spin Discrepancies: The deadline for submitting any spin discrepancies that affect the Country Aircheck/Mediabase Published Country Chart is 5pm CT Sunday each week. Please direct all queries to mbaction@mediabase.com.

Chart Year: The 2022 Country Aircheck/Mediabase chart year began with airplay from the week of Nov. 7-13, 2021 (11/15 chart), it concludes with airplay for the week of Nov. 6-12, 2022 (11/14 chart).

Chart Chat

Congratulations to **Dustin Lynch, MacKenzie Porter, Lee Adams, Shelley Hargis Gaines, Renee Leymon** and the **Broken Bow** promotion team on landing at No. 1 this week with "Thinking 'Bout You." The song is Lynch's eighth chart-topper and lands Porter her first U.S. No. 1. Porter also becomes the second Canadian female atop the chart this calendar year (joining **Tenille Arts**), a feat that hasn't occurred since 1998, when **Terri Clark** and **Shania Twain** each landed No. 1s. Songwriters are **Andy Albert, Hunter Phelps, Will Weatherly** and Lynch.

Mackenzie Porter and Dustin Lynch

And kudos on a fond farewell for **Josh Easler** and the **Arista** crew for scoring 53 adds for "No Hard Feelings" by **Old Dominion** to lead the final CA/MB Add Board of the year.

News & Notes

Artists **Wynonna Judd, Thompson Square** and **Terri Clark** and SiriusXM's **Storme Warren** are among those taking part in *Pawldays*, a fundraising campaign sponsored by Tito's Handmade Vodka benefitting Nashville's **Pet Community Center**, a nonprofit veterinary clinic. Donate [here](#).

Actor/musician **Dennis Quaid** has partnered with wife **Laura Quaid** and producer **Ben Howard** to launch his **Bonniedale** production company with the first feature film being a biopic on the late Country Music Hall of Famer **Charley Pride** entitled *American Pride*.

Circle Network is partnering with the **United Services Organizations (USO)** to broadcast the first-ever *Opry Live: USO Holiday Special* Dec. 18 at 9pm ET. The one-hour broadcast is hosted by **Kellie Pickler** and features **Lauren**

We were looking at moving the organization to Nashville. We were meeting with TV networks. Immediately after the Sept. 2020 show, we had the April 2021 awards show. We did *Party For A Cause* in Nashville this year – we'd never done that before ... Almost everything we've done for two years has been from scratch. There's been no template."
