WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

ALL IN Campus Democracy Challenge

ASSOU and Southern Oregon University have taken the ALL IN Campus Democracy Challenge (https://allinchallenge.org/) along with the Oregon's other public universities. The goal of this challenge is to promote, in a nonpartisan manner, civic engagement and help every student participate in the democratic process. In conjunction with this effort, over the next five weeks, SOU students will receive weekly text messages from ASSOU with information about how to register to vote, where to vote, and reminders to vote.

If you would like to learn more about how SOU is participating in the ALL IN challenge please check-out our website https://sou.edu/president/government-relations/sou-votes/. You can also follow us on https://www.instagram.com/assouraiders/ or at https://www.instagram.com/soustudentlife/.
