

Inviting President Rick Bailey to Grad Events

The end of the academic year is a fun and special time! If you are interested in having President Rick Bailey attend, speak or otherwise join in on your class, student program, club or degree/major end of year event, please send a request as soon as possible. The President's Office will be in touch to confirm availability as promptly as possible.

Please provide as much information as possible about the event (date, time, location, if regalia is to be worn, if a speech is requested and/or any special requests.) The President is also happy to sign certificates or commendation letters if provided to the President's Office a minimum of a week in advance.

For requests and questions, contact Mary Katie Brown, presidentsoffice@sou.edu.
