*“My study abroad experience heavily influenced my last year of high school and my life.*

*I based many of my college essays on my time in Spain to show how I grew as a person, becoming more interconnected with the world. It was through those essays that I became a Questbridge scholar and gained admission into Princeton University.”*

# DESTINATION SUMMER

Study Abroad Programs in 40 Global Locations

Languages • Arts • Engineering • Service • Business & more

## Ready for a Summer of Big Adventures, New Friends, and Unforgettable Memories?

Calling all high school students! Spend 3–4 weeks in one of 40 amazing destinations! Make lifelong friends, build skills for your future, and have a blast along the way. Choose a focus area like language, art, STEM, business, or social change!

### Why Study Abroad?

- See the world and broaden your horizons
- Make new friends and memories
- Develop new skills and become more independent
- Build your resume to stand out on college applications. Only **2%** of U.S. high school students study abroad!

### The Fun Includes:

- ✓ Daily cultural activities
- ✓ Weekend excursions
- ✓ Hands-on learning with local experts
- ✓ College credits and the seal of biliteracy (for language programs)
- ✓ Immersion with a homestay (all language programs and some topic programs)

### Why Choose CIEE?

- Safety is our #1 priority
- 75+ years of experience
- 40 locations, all with CIEE staff
- **\$7 million in scholarships** awarded each year, based on academic merit and financial need
- 24/7 authentic cultural immersion
- Real-world experiences designed to prepare you for college and beyond
