Month of May Reminder

Reminder

Greetings to our Brothers and Sisters in Missions:

As a reminder from our Commission Meeting during our last EBM, The Commission on Membership and Recruitment observes the entire month of May for Lupus Awareness Month. **May 10th is World Lupus Day** and **May 18th is Put On Purple Day**. We ask that each Local WMS Society designate a Sunday of your choice for "**Purple Sunday**" this month.

Please remember that we are working together as **ONE** to improve the quality of such precious lives of all people affected by lupus through their programs of research, education, and advocacy. We ask that you, our Missionary Brothers and Sisters support our objective by receiving donations for Lupus Awareness during the Month of May. Every little donation of LOVE counts towards this great life changing endeavor.

Donations are to be sent directly to your local Lupus Foundation Chapters within your various Countries.

Remember to report the total amount received for Lupus Awareness and send documentation (pictures) of your Purple Sunday's and Put On Purple Day to Sister Sylvia C. Blake at wmsmemberatlarge@gmail.com

Don't forget to flood social media with **#YAMPOP18** and **#WMSKNOWLUPUS**

In the Name of Christian Missions,

Hilda Matshoba

Connectional WMS 3rd Vice President
