

## Women's Discipleship Ministry App is ready for You!

Women who use the Naz Women's Ministry app find it a means of drawing them to God's Word daily, putting the Word on the forefront of the minds, and setting their hearts on things above throughout their day. The app can help or enhance the habit of separating time each day to read Scripture.

We would like to invite you to download the app. Thanks to how this app is designed, you will receive a Scripture verse based on your spiritual journey. No matter where you are on your Journey of Grace, the scriptures and devotionals will speak to you, offering encouragement, inspiration, and transformation for your lives.
