

Your Opinion Needed by N.E.W.

By Beula Postlewait, NEW Communications Representative

Nazarene Educators Worldwide (NEW) offers membership to educators in a variety of educational settings. We would love to sit down and talk with each educator about the needs of his/her educational situation. Since we cannot do that physically in the current pandemic context, we are asking for your help electronically. Marilyn Dominick, our NEW chairperson, has formulated a survey which will give us information about the needs you have as you serve in an educational setting. (If you are retired, we have opportunities for you to serve in encouraging and praying for educators and perhaps sharing what you have learned.)

How can we help you? Are you interested in meeting in-person with other educators for inspiration and training on the district or regional level? Would you like workshops via the computer? Would you like ZOOM meetings with other educators in your area of teaching or administration? Are you interested in the latest research on methods and materials?

We would like to hear from you. You can give us this information by clicking on the link below:

[NEW Survey—We Need Your Input!](#)

Thank you for taking the time to share your opinions. We value your input.
