

Prepare NOW!

WALSH UNIVERSITY

Summer Registration Begins February 20!

Don't forget all of the perks that come with being part of the [Cavs Summer Cohort](#).
Your exact registration date will be indicated in your profile when you log into the Cav Center.
A PIN is no longer needed!

Meet with Your Primary Advisor. *(Undergraduate Students)*

Starting NOW, schedule a time to meet with your primary advisor for assistance with planning your courses for the upcoming semester. Your advisor will remove your advising hold so you can register for courses when your time-ticket becomes valid.

Know Your Registration Time-Ticket

View your assigned registration time via your Student Profile in the Cav Center. See the [View My Registration Time-Ticket](#) guide for assistance.

Check Your Student Account To Resolve Outstanding Holds

Verify that you do not have any holds that would prevent registration. Students must have an account balance that is below \$999.99 to register for future semesters. See the [How to View Registration Eligibility](#) guide, or visit the Office of the Registrar Student Resources page.

Address Registration Errors

Occasionally, students may experience registration errors when attempting to register for certain courses. The most common errors include campus, prerequisite, and repeat errors.

If you experience any of these errors, please submit the Request for Course Override form online for the course you are attempting to register, and specify the error received. You will get a notification to register for the course upon override approval.
