

# ALABAMA TRANSPORTATION ASSISTANCE PROGRAM

Alabama's Local Technical Assistance Program - Alabama's LTAP Center

*Presents a Seminar on*

## Right of Way Acquisition and the Uniform Act

**Birmingham**

**November 13, 2019**

**Montgomery**

**November 14, 2019**

This comprehensive workshop begins with an introduction to the Federal-aid right of way process and the fundamentals of complying with the Uniform Act, Federal Highway regulations, and any State laws, regulations or requirements. Participants will walk away with a strong understanding of the Uniform Act.

This workshop should be of interest to local government employees and consultants who work in the transportation decision making process and who acquire or manage real estate for federally funded transportation projects. This includes local government officials interested in participating in federally funded projects with real property acquisitions, local government management, and staff involved in the Federal-aid real property acquisition process and newcomers to the right of way profession.

Please complete and return the enclosed registration form. A fee of **\$125.00** per person should be mailed with your registration. Payment may be made by phone or fax if paying with a credit card or government agency purchase order. Registrants are reminded that registration is not complete until payment is made. The registration fee includes handout materials, break refreshments, lunch and a certificate of participation. Thank you for your continued support of the Alabama Transportation Assistance Program.

## ***Seminar Instructor***

### **Marshall Wainright**

---

Marshall Wainright started his career with the Federal Highway Administration (FHWA) Resource Center in Atlanta, GA in 2012. He currently serves the country as the Realty Team Leader for the Environment, Air Quality and Realty Technical Service Team. Marshall and his team provide Right of Way related technical assistance, training and technology deployment to Federal, State, and Local partners across the country. Prior to 2012, he served 9 years in the FHWA Office of Real Estate Services in Washington, DC. Before joining the FHWA in 2003, he served as a Realty Specialist with the Florida Department of Transportation. He is a certified instructor for the National Highway Institute. He received a bachelor's degree in Business Administration/Finance from Georgia Southern University.

## ***Continuing Education Units***

Participants completing this seminar will receive 0.60 Continuing Education Units (CEUs). The CEU is a nationally accepted measure of continuing education credit and is awarded at the rate of one CEU for each ten contact hours of qualifying instruction. Auburn University makes every effort to ensure that the CEU granting programs conform to the requirements of the State of Alabama Board of Licensure for Professional Engineers and Land Surveyors for the award of Professional Development Hours to support the renewal of professional licensure.

## ***Sponsorship***

This seminar is one of the series of conferences and workshops being conducted as part of the Alabama Transportation Assistance Program (ATAP) at Auburn University. This program is a part of the Local Technical Assistance Program (LTAP) supported by the Federal Highway Administration, the Alabama Department of Transportation and Auburn University.

This seminar is the 374th offered, with more than 45,000 attendees, since the program's inception in 1983. The Alabama Transportation Assistance Program is administered at Auburn University through the Department of Civil Engineering. For further information and suggestions for future programs, contact Rod Turochy, Alabama Transportation Assistance Program, at 334-844-6271 or [rodturochy@auburn.edu](mailto:rodturochy@auburn.edu).

## ***Accommodation of Participants with Disabilities***

It is the policy of Auburn University to provide accessibility to its programs and reasonable accommodation for persons defined as having disabilities under the Americans with Disabilities Act of 1990. Please contact us at least two weeks prior to the event so that proper consideration can be given to any special needs.

## ***Cancellation Policy***

We understand that circumstances may arise that could require you to cancel your registration, and we make every effort to accommodate your needs. Due to commitments to our instructors and facilities, the registration fee is not refundable if a registrant withdraws less than five working days before the seminar. You may substitute registrants; please notify us in advance if possible. Non-paid, no show registrants will be invoiced for the full cost of the seminar. Engineering Continuing Education reserves the right to cancel or modify any program offering but will provide registrants the option of a full refund. Auburn University will not be responsible for expenses incurred by a registrant as the result of a cancelled or rescheduled program.

## ***Registration***

Your pre-paid registration guarantees you a seat in the seminar as well as information on any changes to the seminar. Registration on the day of the seminar will be accepted on a space available basis, but enrollment will close when the capacity of the seminar is reached. **Participants are reminded that registration is not complete until payment is received.**
