

## **Children's Bible Quizzing**

By Dorothy Whipp

When Moses' mother "could hide him no longer, she got a papyrus basket for him and coated it with tar and pitch. Then she placed the child in it and put it among the reeds along the bank of the Nile" (Exodus 2:3).

Uncertainty had to linger heavily on the heart of this dear woman. It would be an easy guess to assume no one had told her in parenting classes what to do when someone threatened to kill her baby if he was a boy. But she faithfully did what she knew to do. And God was faithful to fulfill His plan.

### **Quizzing during the Pandemic**

We don't have an instruction manual on how to effectively share Children's Bible Quizzing during a pandemic, but God is being faithful to help us during this time of uncertainty! We are applauding district leaders, quiz coaches, parents, and teachers who are being faithful to do what they know to do. As we study the book of Exodus and follow the life of Moses, we fall more in love with a God who uses the ordinary to do the extraordinary, much like what He is doing in our midst right now!

### **World Quiz 2021**

It's not too late if your students are interested in joining quizzing, and we have got options for you! Our districts are quizzing in person, hosting quizzing through Zoom meetings, mailing paper quizzes, utilizing Google docs and using various other creative ways. Our regional leaders are already in preparation for World Quiz 2021. It will also look different than previous World Quizzes, but we are excited about the possibilities! Ordinary to extraordinary is not hard for our God!
