A rally in Washington, D.C. on May 18 for Social Security!

Can you make it? A planning group of retirees from different unions and employee organizations—the National WEP/GPO Repeal Task Force—has been working to pass legislation to repeal the offsets to Social Security benefits and public pensions. Now we will meet in Washington to confront and persuade our legislators.

As of this week we have 268 of the 290 co-signers needed to demand a floor vote on H.R. 82, the current House bill for full, permanent repeal. To energize our movement, we will gather in D.C. and visit with our Representatives and Senators, everyone still observing Covid safety precautions.

We will also plan activities for those of you who can't make it to D.C. this time.
