Opportunity

Fresh Paint is a partnership between RACC's Public Art Murals Program and Open Signal, a media arts center carrying a vision for community-driven media focused on creativity, technology, and social change. This

partnership provides artists the opportunity to explore working in the public art sector and incorporate new approaches and skills in their artistic practice and experience.

A portion of Open Signal’s west-facing wall along MLK Jr Blvd has been designated as the Fresh Paint space and measures approximately 9’H x 18’W. Two artists/teams will be selected to have a painted mural featured for six months between October 2021 and September 2022. The selected artists will receive a \$2,500 commission for their participation and are offered the opportunity to engage with a range of resources at Open Signal, including the use of equipment.

Who has participated in Fresh Paint so far?

In the program’s second round, 2018-2021, an open call was released and seven artists were selected – Andrea de la Vega, Damien Dawahare, Bizar Gomez, Maria Rodriguez, Anke Gladnick, Munta Mpwo, and Lime Lai.
