WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

State Employees Charitable Fund Drive

The annual State of Oregon Employees' Charitable Fund drive continues through December 27. This is your opportunity to support the charities you care about most, joining forces with your fellow state employees to give, and make a lasting impact on your local community!

Charities in Jackson County include:

- Addictions Recovery Center
- CASA of Jackson County
- Resolve Center for Dispute Resolution and Restorative Justice
- SMART Reading
- United Way of Jackson County
- and plenty more local, state and nationwide groups!

If you haven't tried it yet, it's easy and fast to make a gift using the online pledging system.

Just go to https://ipledgeonline.org/_cfdundergrad/, log in using your employee ID number and your name and click 'Make a New Pledge'.

When you are logged in, there is a long list of organizations you can support and surely one of those is something you care to support.

Contributions can be made by a simple payroll deduction, cash or check. Please contact Mary Katie Brown at presidentsoffice@sou.edu if you have any questions about the Charitable Fund Drive, getting logged into the online pledge system or to indicate which charitable fund you care about!

You'd be surprised what wonderful things your gift of any size can do, and how far your donation can go.
