

Terry Knowles Memorial Lounge to be dedicated

Members of the campus community are invited to attend the dedication at 10 a.m. on Thursday (June 5) of the Terry Knowles Memorial Lounge in Taylor Hall.

Terry, who served as an Office Specialist for Social Sciences, spent her 30-plus years at SOU supporting the faculty and students of Taylor Hall. She was a beloved figure on campus, who was lost to cancer shortly after her retirement in 2022.

Terry was also named one of the university's two Outstanding Staff Awardees for 2022. "She is referred to as 'the rock of Taylor Hall' and when a challenge arises, the reoccurring phrase is 'go ask Terry,'" says the Outstanding Staff website (<https://hrs.sou.edu/employee-resources/outstanding-staff-award-2/#2022>).
