## What is Discover Williamson?

Discover Franklin was founded in 2015 by The Council on Aging of Middle Tennessee and is now presented as Discover Williamson in collaboration with the Williamson County Parks and Recreation Department. This program is designed for active adults, age 55 and up, who are interested in learning more about Williamson County and opportunities to make a difference in the local community.

Our classes meet every Tuesday and Thursday for 3 consecutive weeks from 8:30am-3:30pm. Each day will start at the Williamson County Enrichment Center and will feature Williamson County leaders and expose participants to first-hand experiences, discussions, lectures, and tours. Lunch and transportation are provided for each meeting.

This is a unique and exciting learning experience that will enhance your knowledge and understanding of Williamson County.
