Timely Workshops

Workshop presenters will address many needs and offer suggestions. Options include:

- Do you wonder how you can exert influence in your school system? Robb and Kalyn Vogelmann have ideas just for you.
- Do you have blended families (stepfamilies) in your church working to disciple children while living in two homes? Jay and Tammy Daughtery will share practical strategies.
- Are you concerned about the way society tends to control us based on one or two traits or viewpoints? Janet Dean will address this concern and help us to live as people created in God's image.
- Do you want to know more about children's Bible quizzing and VBS? Dorothy Whipp is the person for you.
- Are you looking for great curriculum for children, youth, and adults? The Foundry will guide you through their products.
- Are you looking for a way to engage children in developing their potential while increasing their knowledge of God's Word and the Church of the Nazarene? Caravan, a scout-like program, is a great option. Learn more about this program.
- Do you want to know more about A Journey of Grace? Scott Rainey, global SDMI director, will help you understand the scope of our new strategy.
- Are you curious about the latest developments in youth ministry? NYI will host two special sessions to get you up-to-speed.

You can choose from 30 or more workshop options available for you; you will want to attend as many as time allows. The SDMI team has an app for that. Watch for more information in the coming weeks.

Learning. Inspiration. Networking. Beautiful setting. I can hardly wait! See you at LC2021.
