**APPLICATION FOR REQUISITION**

**TO HIS EXCELLENCY  
JEFF LANDRY**

Enclosed is a certified copy of the original bill of information found in the 22<sup>nd</sup> Judicial District Court, Parish of St. Tammany, State of Louisiana, which charges **Remy Coeytaux** (W/M, DOB: 2/24/64), with the crime of Criminal Abortion by Means of Abortion Inducing Drugs, committed on or about 10/16/23 in the Parish of St. Tammany, which is a crime under the laws of the State of Louisiana under La. R.S. 14:87.9.

On March 12, 2024, special agents with the Louisiana Bureau of Investigation (LBI) were assigned to investigate an abortion that took place in St. Tammany Parish. They interviewed the complainant, who advised she found out she was pregnant in October 2023. After learning of the drugs Mifepristone and Misoprostol, she located a company called AidAccess, an Austria-based business that prescribes and ships said drugs throughout the United States. After completing the online forms, she was instructed to send a \$150 payment via Venmo to [REDACTED]. Several days after sending payment, the complainant received Mifepristone and Misoprostol via the United States Postal Service at her residence, and she took the medication, causing the termination of her pregnancy. With the postal tracking number of the package, the special agents were able to confirm that it was sent from Remy Coeytaux, a resident of Healdsburg, California, with a post office for a business in his name out of the same jurisdiction.

I have reason to believe, based on reliable information received by me that **Remy Coeytaux** will be found in California in the jurisdiction of the City of Healdsburg, County of Sonoma.

The ends of justice, in my opinion, require that **Remy Coeytaux** be brought to this State under said bill of information. In my opinion, the facts stated in said bill of information are true and I believe that prosecution of **Remy Coeytaux** would result in his conviction of the crime alleged.

I nominate **Special Agent Brian Phillips** of the Louisiana Bureau of Investigation as the proper person to be appointed by you as Agent of the State of Louisiana, to receive said fugitive where he shall be apprehended and delivered to the Sheriff of said Parish. I certify that the said Agent Phillips has no private interest in the proposed arrest.

The requisition asked for said fugitive is not sought for the purpose of collecting a debt or conferring a civil remedy, or for any other private purpose.

Therefore, I respectfully request that you issue a requisition to the Governor of the State of **California** for the apprehension and rendition of the said **Remy Coeytaux** to the said Agent. In my opinion it would be proper for your Excellency to issue the requisition asked.

Parish of East Baton Rouge, this 8th day of January, 2026.

AFFIDAVIT FOR ARREST WARRANT

STATE OF LOUISIANA  
VERSUS  
REMY COEYTAUX - WHITE/MALE

I, Brian Phillips, with the Louisiana Bureau of Investigation, certify under oath based on the information outlined below, that there is probable cause to believe Remy Coeytaux on or about the date(s) of 10-16-2023 did commit:

1 Count(s) of 14:87.9-- Criminal Abortion By Means Of Abortion Inducing Drugs-- (Felony)

within this State and Parish at: St. Tammany Parish in St. Tammany Parish and the jurisdiction of the 22nd Judicial District Court, contrary to the form of the statutes of the State of Louisiana in such case made and provided, and against the peace and dignity of the same, in that the following did occur:

On March 12, 2024, Special Agent's (SA) Brian Phillips and Sean McLain of the Louisiana Attorney General's Office, Louisiana Bureau of Investigation (LBI) was assigned an investigation regarding an abortion that took place in St. Tammany Parish.

On March 14, 2024, SA's Phillips and McLain conducted a formal interview with the complainant who advised that during the month of October 2023, she found out that she was pregnant with her then boyfriend. The complainant advised that over the course of the pregnancy, she learned of the abortion medication Mifepristone and Misoprostol. The complainant advised that while researching means of abortions through an internet search, she located the company AidAccess, which is an Austrian based business that prescribes and ships the medication throughout the United States.

The complainant advised that once the forms containing basic personal information was completed, she received an email from AidAccess instructing her to send a \$150.00 payment to Venmo: [REDACTED]. Once the payment was completed, she was instructed to send a cellular phone photographic screen shot as proof of payment.

The complainant advised that several days later she received Mifepristone and Misoprostol via the United States Postal Service (USPS) to her residence. The complainant stated that she took the medication causing the termination of her unborn fetus. At no point during the ordering process of Mifepristone and Misoprostol did the complainant consult with or visit via telehealth any Medical Practitioner.

SA Phillips reviewed the email correspondence between the complainant and AidAccess which contained systematic instructions for taking the medication Mifepristone and Misoprostol. SA Phillips noted that the instructions are broken down in regards to the terms of the pregnancy (under / over 12 weeks). The instructions also contain a section of "What to Expect" which lists sections regarding Bleeding and Cramping, Pain Medicine, Side Effects and What You Might See.

SA Phillips reviewed a section titled "When to Seek Help" which advised the following: **What to say at the hospital:** Do NOT say that you took abortion pills. They cannot be detected (if you did not take them vaginally) and they have the same effect as a natural miscarriage. Just tell the doctor you think you are having a miscarriage and describe your other symptoms.

On April 3, 2024, SA Phillips issued a signed subpoena Duces Tecum to Venmo for subscriber / account information for [REDACTED] with a timeframe of September 1, 2023 to March 31, 2024. SA Phillips also conducted a law enforcement database search for Remy Coeytaux and learned that he is Medical Practitioner based out of California. On April 24, 2024, Venmo sent the results of the issued subpoena. SA Phillips reviewed the results and verified that [REDACTED] with account number [REDACTED] belongs to Remy Coeytaux under business name Remy Coeytaux MD PC with an address of [REDACTED]

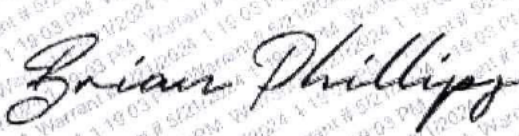

SA Phillips reviewed the transaction history and located the Venmo payment made by the complainant, which was made on October 16, 2023 for \$150.00. SA Phillips observed that the documents contain a "Notes" section. SA Phillips observed that in several of transaction notes it lists the terms: pills, AidAccess and Mifepristone / Misoprostol etc. indicating his connection to AidAccess and the abortion medications Mifepristone and Misoprostol.

SA Phillips was supplied with the postal tracking number of the order due to the fact that the complainant discarded the box and packaging material. SA McLain spoke with the United States Postal Service (USPS) Inspector who verified that the package received at the complainant's residence came from Remy Coeytaux with a Post Office Box out of Healdsburg, California.

According to Louisiana Revised Statue 14:87.9, a criminal abortion by means of an abortion-inducing drug is committed when a person knowingly causes an abortion to occur by means of delivering, dispensing, distributing or providing a pregnant woman with an abortion-inducing drug.

Based on the facts and circumstances surrounding this investigation along with the evidence collected, SA Phillips respectfully request an arrest warrant be issued for Remy Coeytaux for the violation of R.S. 14:87.9.

I hereby certify under oath the information contained herein to be true and correct, to the best of my knowledge, under penalties of perjury.
