

The corporal punishment reporting requirement in statute requires the Department to report on our website the following information:

- The number of instances of corporal punishment in each LEA, and
- The number of instances involving a student with an active individualized education program or an active 504 plan under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. S 794).

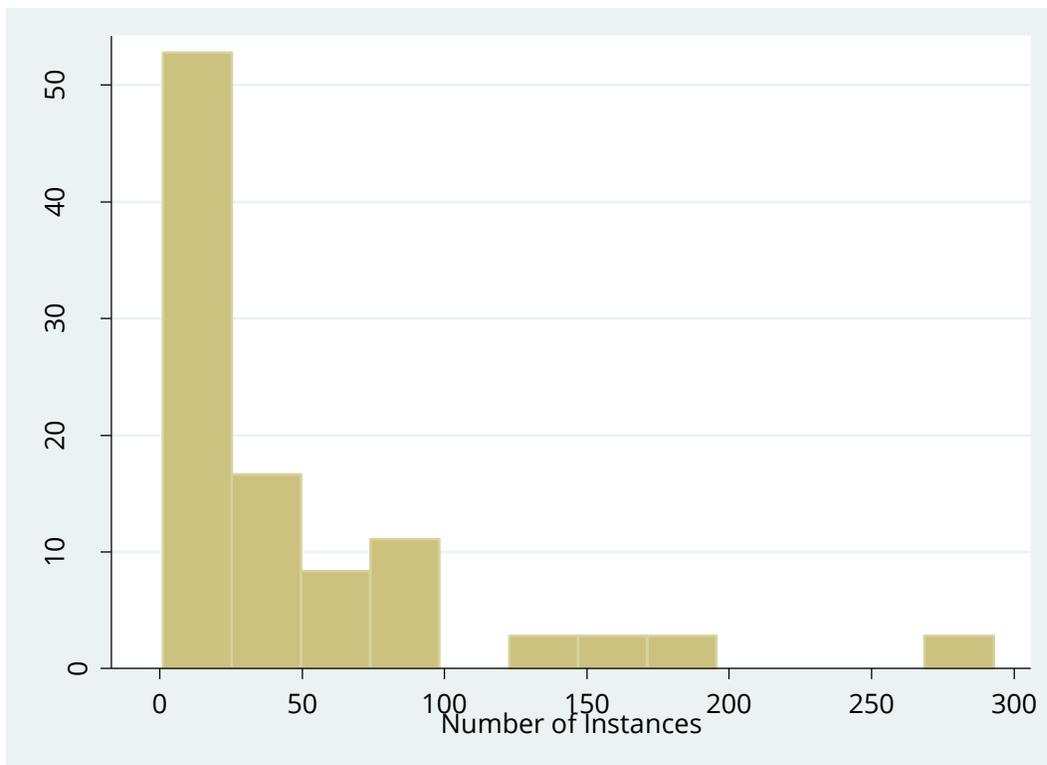

In addition:

- List the LEAs who did not submit information about corporal punishment.
