Coding & Telehealth

The Memphis  Medical Society

Physician testing, reporting and diagnosing guide

New CPT code for testing of COVID-19. While TMA's new app eases telehealth operations for physicians and patients.

1

THERE'S AN APP FOR THAT

Do you need a platform to provide telehealth services? Tennessee Medical Association has developed an app to facilitate telehealth solutions that are easy on patients and physicians.

[Click here to download the app.](#)

2

PAYER COVERAGE GUIDANCE

With new guidelines emerging quickly, you need a comprehensive billing guide for COVID-19 telehealth encounters.

[Click here for CMS and commercial payers plans, policies and appropriate CPT code.](#)

3

CPT TESTING CODE 87635

A new CPT code has been created that streamlines novel coronavirus testing offered by hospitals, health systems and laboratories.
