

Personal Enrichment Program presents

Intro to Middle School 101

for all New 6th, 7th, and 8th Grade Students!!!

Prevent summer slide and gear up for middle school! Challenge yourself this summer and immerse yourself in school culture here at Revere before the year even starts. This program

is designed to prepare students for life at Revere and the rigors of middle school. Students will spend time with Revere staff and receive a variety of instruction that is designed to introduce them to all aspects of the school so they will feel confident headed into the first day of the semester. Students will get familiar with Schoology and various other apps used at Revere, tour the campus, meet teachers, staff and other students, and learn survival skills to better navigate life at Revere. Alleviate your fear of the unknown, familiarize yourself with the layout of the school, improve organizational skills, practice opening lockers, make new friends, and so much more. Don't miss this great opportunity to learn everything you need to know about middle school life and get acclimated to campus! This program is open to all new students that might benefit from spending time on the campus. Students will be grouped together by grade level. In addition, there are informational meetings for parents. The transition to a new school can create as much (if not more) anxiety for parents. We will do our best to prepare parents for what to expect. Please see what is covered in these optional meetings below.

Dates: July 31 - August 4 8:00am-12:00pm, at Revere M.S. , \$350

Can't pick up your child at 12:00? No Problem!! Students can go to Sportsmania Camp until 2:00pm for only an additional \$150 for the week. (www.sportsmaniacamp.com)
