Revere's stars were out for the 9th Annual Student Film Festival on Friday, May 12!

Filmmakers got to walk the red carpet and celebrate seeing their projects on the big screen. In all, 26 incredibly creative films were shown and spanned the categories of documentary, animation, music video, live action, commercial and PSA.

Several raffles, concessions and awards rounded out the evening. Kudos to students for sharing their talent! Tremendous thanks to film festival organizers Jon Hyman, Susan Fitzer, Debbie Sachs, Juli Knap, Jordan Moore, Justin Koretz, Lori Vogel and the 2023 judges. A great time was had by all!
