Natalie Christian, MD

Assistant Professor of Medicine

Dr. Natalie Christian joined the Section of General Internal Medicine, Geriatrics, & Palliative Medicine in October 2022 as a Geriatrician at the Southeast Louisiana Veterans Health Care System and Tulane Medical Center. Dr. Christian is a native of South Carolina and earned her Bachelor of Science in Public Health from Clemson University. She later completed Medical School and Family Medicine residency at the Medical University of South Carolina. She then went on to complete her fellowship training in Geriatrics and graduated as the first Geriatric Medicine fellow at MUSC. She practiced Geriatrics in Charleston, SC providing primary care in a continuing care retirement community and served as medical director in post-acute and long-term care prior to moving to New Orleans to join Tulane.

Her clinical interests include managing complex medical conditions in older adults, medical education, and integration of palliative and primary care.
