Job Posting Title

Computer Science Full-time Faculty (2 positions)

Job Description Summary

Montgomery College, Takoma Silver Spring and Germantown campus is seeking two Computer Science faculty members to fill positions starting August 2021. Our computer science program is a fully transferrable program to 4-year universities with over a thousand majors.

We are looking for enthusiastic and dedicated teachers who exhibit a high degree of professionalism, a strong commitment to our students, and the ability to motivate and educate in an engaging manner. The successful candidates will be committed to teaching in a multi-cultural, two-year environment focused on students with diverse learning abilities. Important qualities expected in the candidate include strong verbal and written communication skills, experience working with students of different backgrounds, and commitment to the community college mission. These positions are part of a collective bargaining ...
