

NOT RETURNING TO REVERE? WE NEED TO KNOW!

If your child is a current 6th or 7th grader at Revere and they are **NOT** returning to the school for the 2023-24 school year, please notify Mr. Koretz in the Attendance Office at jdk9311@lausd.net. Include your child's name and the school that they will be attending next year.

If your child **IS** returning to Revere you do not need to do anything. Current students will automatically roll over in our system for the next school year.
