

Armando Villalta, Ph.D.

Assistant Professor
Department of Physiology and Biophysics
University of California, Irvine

***“Immune and stromal interactions in the
regulation of skeletal muscle disease”***

Monday, August 8th 2022

3:00-4:00pm

Virtual Zoom Meeting

<https://uchealth.zoom.us/j/88080973264>

Hosted by: Rob Signer, Ph.D.

Learning Objectives:

At the conclusion of the activity, the participants will be able to:

- Treat patients with stem cells more effectively as a result of multidisciplinary discussion
- Disseminate the latest research and clinical advances on stem cells and regenerative medicine to promote improved strategies and methodologies
- Promote further investigation into topics involving stem cells and regenerative medicine
- Translate stem cell and regenerative medicine research from bench to bedside

Accreditation Statement

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of California, San Diego School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity

UC San Diego
