

# Final Days to Fill the Pantry—Make Your Gift Today!

**Give Today**

March is coming to a close, and with it our **March Food Drive** in support of the campus Food Pantry. As we reach the final days, we're asking our community to help us **finish strong**.

For many students, the pantry provides essential support during times when food budgets fall short. Access to reliable meals helps students stay focused on their classes, their goals, and their future. Right now, there is still a need to keep the pantry shelves stocked for the weeks ahead.

**This is your last chance to make an impact during the March Food Drive.**

Thank you for standing with our students and strengthening our campus community.
