

## **ASSOU Elections Committee seeking applications**

This is a message from the ASSOU Elections committee:

Hello Raiders!

The ASSOU Elections Committee is excited to announce that applications to join ASSOU next academic year will open this Friday, April 3!

This is a great opportunity to get involved, represent your peers, and take charge of your education! As many of you know, SOU is facing significant challenges. Joining ASSOU is a direct way to advocate for our school and bring student voices to light.

Applications will be open for the President, Vice President, and Senator offices. Presidents and vice presidents must apply and run for office in pairs, while senators may run individually. Group campaign organizations are also allowed!

Note: Director and Judicial positions are elected on a rolling basis (see those deadlines on the ASSOU Elections webpage). This election period is only for President, Vice President, and Senator positions for the upcoming 26-27 school year.

When do you apply?

Applications will be open April 3 - April 17

What do you need to apply?

Applicants will need an updated resume and an individual headshot for their application.

Applicants should begin preparing campaign materials as soon as possible; all materials must be reviewed and approved by the Elections Committee before campaigning may begin. Applicants may submit their campaign materials after submitting their applications through a separate form.

How do you apply?

Application forms will be on the ASSOU Elections webpage, linked here:  
<https://studentlife.sou.edu/assou/elections/> and sent in an email this Friday.

Questions?

If you have any questions, please review the Elections webpage or reach out to our Director of Government

Affairs, Jaden, at [assougovaffairs@sou.edu](mailto:assougovaffairs@sou.edu).
