SPEED MENTOR WORKSHOP

**JOIN US
ON ZOOM**

**GET EXPERT ADVICE FROM FACULTY MEMBERS AT
UCSD MOORES CANCER CENTER
THURSDAY, FEBRUARY 9, 2023 12-1PM**

Dominique Rash, MD
Radiation Oncologist
Associate Professor
University of California San Diego

Dr. Rash is a radiation oncologist who treats breast, gynecologic and gastrointestinal cancer. She uses carefully targeted, high doses of radiation energy to destroy or damage cancer cells, including expertise in conformal radiation therapy (CRT), intensity-modulated radiation therapy (IMRT), image-guided radiation therapy (IGRT) and high-dose brachytherapy.

Sara Grossi, MD
Surgical Oncologist
Assistant Professor of Surgery
University of California San Diego

Dr. Grossi is a surgical oncologist. She performs breast conservation surgery/lumpectomy using the latest innovative localization technologies. She works closely with plastic and reconstructive surgeons to offer women the best possible cosmetic, functional and safe oncologic outcomes.

Robert Signer, PhD
Stem Cell Biologist
Associate Professor of Medicine
University of California San Diego

Dr. Signer is a stem cell biologist whose trailblazing work on protein working on protein synthesis and homeostasis in blood-forming stem cells. By unlocking the mysteries of stem cells, Dr. Signer aims to make breakthroughs that harness stem cell potential to treat degenerative, malignant and age-related diseases.
