

# STEER TEAM

## SPRING SERVICES AVAILABLE FEBRUARY 8TH

STEER Team members are SILT student employees ready to support student involvement and leadership development through the following opportunities:

### Involvement Consultation

Explore your passions and set goals to support your Emory involvement endeavors. Learn about channels to assist you in finding opportunities for involvement in student organizations and programs.

### Leadership Skills Assessment

Assess your foundational, intermediate, and advanced leadership skills and make a game plan for personal leadership development. Learn about the Emory Student Leadership Philosophy and available programs.

### Mock Organization Interview

Prepare for student organization involvement by participating in a mock interview. Increase your knowledge of common interview practices and identify your strength and opportunities for growth.

Weekly office hours are available for students and will be advertised through OrgSync and @emorysilt on Instagram. Stay tuned for workshops and opportunities also advertised through these channels. All STEER services for the 2020-21 academic year are virtual and held via Zoom.
