

Jobs/Opportunities

Jackson Square Ventures (JSV) team Seeking Design Co-founder from Carnegie Mellon University. See details below:

Provenance is building the infrastructure layer for financial models. It automatically tracks, explains, and verifies every change inside Excel, so teams can understand how models evolve and collaborate without version chaos. Provenance is currently working with early design partners across investment banking and private equity.

The company is currently hiring a founding product designer with deep experience in UX to help shape the product from the ground up. Interested candidates can contact Tina at uskudar@provenancexl.com.
