New Course Alert!! ENTREPRENEURSHIP: A NEW VENTURE

Entrepreneurship: A New Venture, a CMU Venture Design Studio returns for its fourth year this fall, focused on how emerging technologies are transforming work, the workplace and workforce. Upon completion of the course, student teams have built sustainable businesses (without external capital) and have been accepted into the Swartz Center's Project Olympus, VentureBridge, as well as Innovation Works, and Pre-Seed programs including venture studios. The studio is run by CMU Heinz College adjunct Professor Zachary Ciccone. Find out more and register [here!](#)
