

# How to Make TP Binoculars

© 2020 Rebecca Lesko

## Directions:

1. Cut two 4" x 6" paper rectangles
2. Decorate the papers
3. Wrap the papers around the tp tubes and tape
4. Face the paper seams together and staple the tubes on each end.
5. On one end, punch a hole on either side, 1" from end
6. Tie each end of the string through one of the holes.

## Supplies:

- 2 toilet paper tubes
- Stapler
- 2 papers 4" x 6"
- Crayons
- Tape
- 20" +/- of string
- Single hole punch
