CAREER OPPORTUNITIES AVAILABLE NOW! Seasonal Public Utility Workers in Parks, Storm Water, Transportation, Wastewater and Water Divisions.

We want people who are willing to learn, work hard, show up on time each day with a good attitude, and can get along well with others while taking direction from supervisors. We will train people on all tasks to be performed. Seasonal employees support inviting parks, good roadways, clean water delivery, and environmentally sound processing of storm water and sewer waste. In order to complete this work, you will perform manual labor installing, maintaining, repairing and testing activities on the City's parks, sewer, storm water, streets, and water systems and related facilities. You will need to operate a variety of tools and equipment such as: shovels, picks, hand and riding mowers, tapping machine, power hacksaws, drills, welders, jackhammers, compressors and portable concrete saws. Our seasonal employees enjoy receiving good pay for hard work to help build a resume and gain experience that can equip them for future careers. We are looking for individuals who like working outdoors in varying weather conditions. These positions will involve a steady work schedule
