2026 Voyager Summer Technologies Internship – Strategy & Marketing Intelligence

Quantum Formatics Seeks Foundational Hire: Commercial Strategy & Market Development

ARM Institute Seeks Business Development Intern to accelerate the adoption of robotics in U.S. Manufacturing. See the job description below:

Business Development Intern – ARM Institute

The ARM Institute is looking for a motivated Business Development Intern to accelerate the adoption of robotics in U.S. manufacturing. You'll work directly with the leadership team to identify growth opportunities, support technical scouting and outreach, and help bridge the gap between cutting-edge technology and industrial application. This internship offers not only the opportunity to grow your skills, but also the chance to grow your network within the US robotics ecosystem. The internship will conclude with the preparation of a personal portfolio demonstrating your contributions and their concrete impact on the ARM Institute and US Manufacturing. This intern will work directly under the Director of Business Development with daily interactions and weekly one-on-one meetings to discuss progress, strategy and career development.

How to apply:

Reach out directly to Kirby.Witte@arminstitute.org with the subject line: "Business Development Internship – YOUR NAME – YOUR MAJOR. Please include your resume and a description of your ideal position 5 years from now and how an internship at the ARM Institute supports your plan to attain it.
