

July 2023

Greetings Fellow Artists!

Summer is here in all her glory! I hope you will be able to create some wonderful art between now and September.

Our 98th Annual Juried Exhibition opening reception at Creative Arts Group was a very successful event. I understand that the attendance was around 120. I would love to hear about your experience if you were able to attend. And a BIG thank you to Rebecca Pollack for stepping in to help our Hospitality Chair, Patricia Lee, who couldn't be there that night. Rebecca did an excellent job!

Our Summer Party will take place August 5th at Ken Weintrub's home in Sierra Madre. More details are included in this Newsletter and I'm sure another notice will be sent to all of you. I look forward to seeing you there.

If you are in an exhibition, art fair or other art adventure, please let us know by using the PSA Member News. It is a great way to get the word out and promote your art. We can also post your event on the PSA Facebook and Instagram pages if you let us know.

I'm sure Larry Rodgers will be posting information about our 2025 Centennial Exhibition at the Pasadena Museum of History. However, I have heard that the juried take-in for our Member will be in October of 2024. That is right around the corner so please get your creative juices flowing and make art!

As always, thank you for supporting the Pasadena Society of Artists.

All the best,
Kathleen to some, Kathy to others
