

UPCOMING EXHIBITIONS

The Call for Entries for the **Artists' Choice exhibition** will arrive in your email box next week.

We are in the final stages of selecting galleries for the **Open Juried Exhibition** and the **Photography Exhibition**. There is the possibility that both exhibitions will be online only.

In either case, plan for an online Smart Sheets submission process.

Also, the Exhibition Committee may have found a nice gallery for a Pop-Up Exhibition over in Highland Park. This might be for a low price point holiday exhibition. We will tell you more next month.

Volunteers will be needed for ACE in October including installation of art, helping out during the reception and closing day.

Give this some thought and [email us](#) to volunteer.

Thanks everyone,

Larry, Art and Tom
