

We're having a party! And all we're missing is YOU and your spouse, sweetheart, partner, or BFF!

Do you have some work that you want to share? Bring it and show us!  
Come join us for renewed and new friendships, great food, and wonderful art.

This is a potluck garden party. Please RSVP and coordinate with [Pat Lee](#) (Hospitality Chair) so we don't have 15 veggie platters! We will provide wine, beer and non-alcoholic beverages. And if any of you want to volunteer to help us set up, please let us know.

We're looking forward to seeing everyone IN PERSON! Because of the surge with variants of the virus, we respectfully ask that everyone take appropriate measures to keep us all safe.
