

We need your help!

GALLERY SPACE:

We are looking for gallery and exhibition space in the local area that is both affordable and appropriate for the large group exhibitions that we host. If you have any suggestions for us, please send the details (including address, and contact info if you have it).

Please contact: <mailto:Exhibitions@PasadenaSocietyofArtists.org>

ART VIDEOS:

Do you have any short videos that you've created that we might be able to use in our social media outreach? We are exploring ways of increasing our content on social media as a way of promoting both PSA and our members. Please contact SocialMedia@PasadenaSocietyofArtists.org
