

Here's the latest from the Exhibition Committee:

January 2023, Happy New Year to everyone. The Exhibition Committee is already arranging several gallery exhibitions for 2023. All 2023 exhibitions will also be online at [ISSUU.com](https://issuu.com) and include full color printed exhibition catalogs. More news about the upcoming exhibition schedule at the January General Meeting.

The Exhibition Committee is exploring the continuation of the "Pop-up" exhibition program. A proposal will be presented to the PSA Board at the next board meeting. If you have any ideas for a pop-up gallery venue, please contact the Exhibition Committee at [Exhibitions@PasadenaSocietyofArtists.org](mailto:Exhibitions@PasadenaSocietyofArtists.org).

The Exhibition Committee, that is, Art Carrillo, Tom Oldfield and myself, Larry Rodgers hope that 2023 is prosperous and that you have a great time creating fabulous artwork in your studio all year. We look forward to seeing the results throughout the year at PSA exhibitions.

See you at the January general meeting.

Larry, Art and Tom
