

Salon
January 16, 2023
Hosted by Art House Pasadena
1646 N. Fair Oaks Avenue
1:00-4:00 pm

On this day, we honor the late Dr Martin Luther King.

At the salon, I am inviting you to engage in discussing, creating and showing art that reflects the “community values” of Dr. King.

There will be a parade on Fair Oaks Avenue January 16th.

If you like, email me thoughts that reflect his teachings and his impact on art today. How has he impacted your life? Your input will help develop the theme of the salon. We can draw, paint, model clay, or just exhibit and share.

Thank you,

Vic
