

EARTH DAY

SPRING CLEANING

Saturday, April 22 11 a.m.-1 p.m.

Celebrate Earth Day by lending a hand at Revere's first-ever Spring Cleaning event. We invite you to sign up to deep clean our classrooms and give back to our teachers and faculty.

Parent volunteers are needed to help supervise!

Students earn service hours while helping build our Revere community. There will be supplies, snacks and music to keep you moving. All are welcome!
