

## TAKE YOUR ANTIGEN TEST!

Rapid Antigen tests were distributed before break to all students. **You should test your child no more than 48 hours prior to returning to school Monday, Jan. 9, or your first day back after the weekend.**

If your child tests positive, please upload their test to the [Daily Pass](#) portal, keep them home, and follow [LAUSD guidelines](#) for when to return to school. Absences should be reported to [revereexcusedabsence@gmail.com](mailto:revereexcusedabsence@gmail.com).
