WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

Faculty and staff appreciation event

SOU Provost Casey Shillam and the university's Staff Assembly invite all SOU employees to attend a faculty and staff appreciation event this month during the SOU Men's and Women's Soccer Game on October 4 at Raider Stadium.

The hosts wish to express their gratitude for faculty and staff members' dedication to the university, and for everything they do to support all SOU programs, operations, and most importantly, the university's students! The free event - from noon to 3:30 p.m. on Friday, October 4, at Raider Stadium - will offer a raffle and complimentary cookies and rice crispy treats, lemonade, and water, and a great match against Eastern Oregon. Those who plan to attend are asked to RSVP to receive their tickets to the game and to help organizers plan accordingly, families are welcome.
