

Police presence: CCJ Career Day this Friday

Please do not be alarmed by an increase in police presence on campus on Friday, February 28. The SOU Criminology & Criminal Justice Department will be hosting an annual Career Day event. Local and state law enforcement agencies will be present to hold workshops, which will include active shooter/SWAT simulations inside or around Taylor Hall. This will be occurring from noon until 5 p.m. Again, these are only simulations.

If you have any additional questions, feel free to contact professor David Carter at (541) 552-6506.
