WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

SOU Campus Jobs Fair, Sept 27

If you anticipate hiring students as the school year begins, please consider joining our Campus Jobs Fair for recruiting student staff!

Friday, Sept 27th 11a - 1p

SU Courtyard

RSVP here: <https://forms.gle/ng3hqLZtozUUWeZt8>

It will be outdoors, under the tent, but please be aware of the weather. If you have a tablecloth, you may want to bring it. I will also be on site to help with any students struggling with the WorkDay system, if needed, as will an HR rep. If you would like to ensure that your jobs are available in Workday by the date of the event, please submit the student employment appointment form by September 13th to give HR enough lead time for posting. As a reminder, info on the whole student hiring process is available here:

If you RSVP, but are able to hire for all your student positions ahead of the fair or have another change of plans, just let us know at careerconnections@sou.edu
