WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

Join Government Relations as a Raider Advocate

The Office of Government Relations seeks help from campus community members as it works diligently to facilitate communication and collaboration between key university stakeholders and the Oregon Legislature and other government agencies.

Our role is to provide opportunities for advocacy and support individuals as they share their stories and work to build the SOU of the future.

To join us in our efforts, fill out this link and become a Raider Advocate: <https://forms.gle/wigiHwp3gX217SuD8>
