

Career Connections - Employer Tours & Grad Apps

Career Connections offers many resources and assistance to SOU students and alumni.

Employer tours are a great way to network and see what it looks like to work in various organizations. The next tour is on November 14th to Southern Oregon Goodwill in Medford. This is a chance to see their programs that they offer for workforce development, sustainability, and their facility for their online store. Go to HawkNEST for details and to register.

Keep an eye on HawkNEST for more employer tours coming up soon.

Did you know that Career Connections can help you with graduate applications? If you are planning on applying to graduate school and need some help, please contact the Career Connections office in the Stevenson Union room 310 or email us at careerconnections@sou.edu. You can also make an appointment through Navigate.

What else can Career Connections help students and alumni with?
