

WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

Study Abroad Fair - Wednesday, November 12th!

Dear SOU Community,

Get ready to explore the world! You are invited to SOU's Annual Study Abroad Fair — your one-stop event to learn about exciting opportunities to study across the globe or within the United States!

□ Date: Wednesday, November 12

□ Time: 11:00 AM – 2:00 PM

□ Location: Stevenson Union, The Gallery

□ Free Pizza will be served during lunch — come for the food, stay for the adventure!

Discover the many ways to study abroad through SOU Direct Exchange, National Student Exchange, and our partner providers. Representatives from API, USAC, SFS, IE3 Global, and GEO will be on campus to answer your questions.

Whether you're dreaming of studying theatre in Europe, researching endangered species in the jungle, or immersing yourself in a new culture, there's a program waiting for you.

□ Funding Opportunities:

Many programs offer scholarships, and Pell Grant recipients may be eligible for the Gilman Scholarship, which provides up to \$5,000 to help cover study abroad expenses.

Bring your curiosity and your questions — we'll help you find the perfect study abroad experience!

See you at the fair,

Noel Porter - Study Abroad
