

# B2B Matchmaking/Supply Chain Web Event

For Oregon & SW Washington

**Date: May 14, 2020**

**Time: 10:00 AM PST**

**Registration: [www.omep.org/events](http://www.omep.org/events)**

PROSPER  
PORTLAND

We would like to invite Oregon and SW Washington manufacturers to participate our upcoming B2B Matchmaking/Supply Chain web event. Join us on **Thursday, May 14th from 10am - 12pm online**. As Oregon and SW Washington slowly begin to recover from the effects of the coronavirus outbreak, connecting local supply lines is more critical than ever. This online event has been expanded from its original in-person format to include a wide regional audience for maximum connection. The more participants, the more opportunities to promote your business and find new customers. Join us to generate new customers, suppliers, and gain exposure for your manufacturing business. Participation in our programs held in physical locations typically cost \$50-\$75. **Our video conference is free with the bonus of expanded exposure to manufacturers throughout Oregon and SW Washington.**

As a participant in this event, you can expect some or all the following results:

- Develop 25-35 new contacts
- Establish new relationships and strategic partnerships
- Develop new customers and suppliers
- Discover resources to increase efficiencies and grow your business
- Improve your company and product pitch

## Web Event Format

We will be utilizing the Zoom webinar breakout session system to conduct the following:

- There will be four 25-minute sessions. Participants will be placed in a group of eight people during each session.
- Each group will consist of one facilitator and seven business participants.
- The facilitator will have each participant share for two minutes or less about their business, product, customers and suppliers.
- The second question will focus on participant's goals for the program, follow-up discussion from the first round, and COVID-19 related and non-related issues impacting the business.
- At the conclusion of each session, participants will be re-assigned to a new session
